

DELAWARE TRAUMA SYMPOSIUM

January 10, 2020

Dear Trauma and Critical Care Product Vendors,

The **Annual Delaware Trauma Symposium** will take place on **Wednesday May 6, 2020** at **The Chase Center on the Riverfront, Wilmington, DE**. The Trauma Symposium is sponsored by the Trauma, Critical Care, and Emergency Departments of Bayhealth Kent and Sussex campuses, Beebe Healthcare, Christiana Care Newark and Wilmington Campuses, Nanticoke Memorial Hospital, Nemours/Alfred I. DuPont Hospital for Children, and Saint Francis Healthcare Delaware. The hospitals participate in a joint partnership to provide excellent trauma education in Delaware. This seminar is offered to healthcare providers including physicians, nurses, allied health professionals, and pre-hospital personnel throughout the Delmarva Peninsula. The anticipated attendance this year is expected to be approximately 400 medical professionals.

In light of current healthcare financial trends, we are attempting to minimize the cost to professionals wishing to attend this event. We are seeking support from corporations in the form of:

- Vendor Displays
- Educational Grant Funds
- Sponsorship
- Assistance with refreshment or meal expenses

Vendor Information: Exhibition tables will be available with time provided during the day for seminar participants to visit the vendor tables. The vendor table fee will remain at the reduced rate of \$450.00. The fee will include free meal tickets for two participants. If more than two representatives attend, additional meal tickets must be purchased for **\$40.00** prior to the Symposium.
*If you require electric power for your table, this will be invoiced to you directly by Chase Riverfront.
